Miscellaneous Items:

Provide a Written estimate of the total construction costs including all labor and material for the proposed work.
\$ _____

Provide a Detailed Scope of Work describing the improvements: _____

I hereby apply for a building permit, and I certify that the information above is complete and accurate. The work will be in conformance with applicable laws of the State of California and Ordinances of the City of Rio Dell, California. I understand this is **not a permit** but only an application for a permit, **and work is not to start without a permit.** I understand that if work is started without a permit that I can be held liable for penalties, fines, jail, and that I may have to remove the work that has been done for inspection or permanently remove the construction that was done without a permit at my own cost. I certify that the work will be in accordance with all permit conditions, approved plans and applicable laws & codes. If the applicant is not the owner, I certify that I am an authorized agent of the owner.
