Businesses of all sizes and private nonprofit organizations may borrow up to \$2 million to repair or replace damaged or destroyed real estate, machinery and equipment, inventory and other business assets. SBA can also lend additional funds to businesses and homeowners to help with the cost of improvements to protect, prevent or minimize the same type of disaster damage from occurring in the future.

For small businesses, small agricultural cooperatives, small businesses engaged in aquaculture and most private nonprofit organizations of any size, SBA offers Economic Injury Disaster Loans to help meet working capital needs caused by the disaster. Economic injury assistance is available regardless of whether the business suffered any property damage.

Disaster loans up to \$200,000 are available to homeowners to repair or replace damaged or destroyed real estate. Homeowners and renters are eligible for up to \$40,000 to repair or replace damaged or destroyed personal property.

Interest rates can be as low as 3.305 percent for businesses, 2.375 percent for private nonprofit organizations and 2.313 percent for homeowners and renters with terms up to 30 years. Loan amounts and terms are set by SBA and are based on each applicant's financial condition.

Recently, U.S. SBA Administrator Isabella Casillas Guzman [announced a policy change](#) granting 12 months of no payments and 0% interest. This pertains to all disaster loans approved in response to disasters declared on or after September 21, 2022, through September 30, 2023. This covers SBA disaster loans currently available for Hurricane Fiona and Hurricane Ian declared earlier this year. This policy change will benefit disaster survivors and help them to decrease the overall cost of recovery by reducing the amount of accrued interest they must repay. Details are available through the SBA Disaster Assistance Customer Service Center at (800) 659-2955. Individuals with verbal or hearing impairments may dial 7-1-1 to access telecommunications relay services from 8:00 a.m. to 8:00 p.m. ET, Monday to Friday, or email: [disastercustomerservice@sba.gov](mailto:disastercustomerservice@sba.gov).
